

SCHOLARSHIPS
supporting by B.EN.A. – TITAN in 2010
CATEGORY I - POST GRADUATE STUDENTS

| No. | Project title | Beneficiary | Affiliation |
|-----|--|-----------------------|--|
| 1. | Pyrolysis and combustion study of plastics waste using TG/FTIR combined analysis | Andreea-Iuliana Moise | National Research and Development Institute for Industrial Ecology - INCD ECOIND, Bucharest E-mail: ecoind@incdecoind.ro |
| 2. | GIS technique utilization for waste management from public food in transboundary littoral touristic zone. Study Case: Mamaia-Balcik | Alina Spinu | National Institute for Marine Research and Development "Grigore Antipa" Constanta E-mail: alina_daiana_ct@yahoo.com |
| 3. | Creation a simple and inventive method for the determination of humic acids in water samples, using the solid phase extraction technique (SPE) and the analysis through UV-Vis molecular absorption spectrometry | Carmen Andreea Roba | "Babes-Bolyai" University of Cluj-Napoca E-mail: Roba20012002@yahoo.com |
| 4. | Elaboration of black list of invasive plant species from the Danube Delta Biosphere Reserve (DDBR) and management measures in conformity of EU legislation in this area | Mihai Doroftei | National Institute for Research and Development „Danube Delta” Tulcea E-mail: doroftei@indd.tim.ro |
| 5. | Bioremediation of soil polluted with petroleum hydrocarbons by using a natural biodegradable products | Mariana Marinescu | National Institute Research and Development for Soil Science, Agrochemistry and Environmental Protection INCDPAPM-ICPA - Bucharest maramarinescu2003@yahoo.com |
| 6. | Nutritional supliments obtained by checked fermentation of vegetable waste from food industry on mooshrooms activity | Elena-Alina Bode | University of Pitesti Faculty of Sciences alina_andronescu1986@yahoo.com |
| 7. | Identification of measures for ecological reconstruction of the pond from the Museum Complex of Natural Sciences of Constanta to ensure a diversity of local ichthyological fauna | Geta Stan | Museal Complex of Natural Science Constanta E-mail: office@delfinariu.ro |

| No. | Project title | Beneficiary | Affiliation |
|------------|---|--------------------|---|
| 8. | Rapid and simultaneous analysis of chemical and quality parameters of drinking water in rural areas through modern electrophoresis techniques | Bogdan Cezar Iacob | University of Medical and Pharmacy Cluj Napoca E-mail:iacob.cezar@umfcluj.ro |

CATEGORY III – SCIENTISTS WITH SPECIAL CONTRIBUTIONS

| | | | |
|-----|--|-----------------|---|
| 9. | Assessing of climate change impacts on ecosystems and their protection. Study Case: Deltaic Coastal Zone Sfantu Gheorghe | Georgeta Bandoc | University of Bucharest Faculty of Geography E-mail:geobandoc@yahoo.com |
| 10. | The control of quality parameters and enzymatic activity of milling products in the region of Transilvania | Maria Popa | "1 Decembrie 1918" University of Alba Iulia Faculty of Science E-mail:mariapopa2010@yahoo.com |
